Deanery Gatherings – Mutual Flourishing - 24th November

Mutual Flourishing is the Church of England's commitment to ensuring that people who hold differing theological convictions, particularly regarding the ordination of women, can live, minister, and flourish together within one Church.

At the residential gathering in November 2025, people from across the geographical and theological breadth of the Diocese of Sheffield came together to listen, reflect, and share their experiences of Mutual Flourishing. This term, that conversation is being taken into each deanery. These visits will offer opportunities to continue the listening, deepen understanding, and reflect together on what it means to flourish as the Body of Christ amid our differences.

You are invited to attend our Open Event.

Rotherham Deanery – 24th November 2026
Open Event – 7.00pm for 7.30pm
Venue: St Mary's Church Catcliffe, St Mary's Dr, Catcliffe, Rotherham S60 5TN

Advent Carol Service at Rotherham Minster

Why not set aside one hour on Sunday 29th November at 4.30pm to begin the season of advent with atmospheric choral music, readings and hymns, encouraging us to prepare for celebrating the birth of Jesus: God with us.

General Synod

General Synod is the national assembly of the Church of England. It shapes and approves laws that affect the whole of the Church of England. It agrees new forms of worship, debates matters of national and international importance, and approves the annual budget for the work of the Church at national level.

Christine (Batchford) who many of you know from Rotherham Minster and Social Supermarket, has been elected for the General Synod as lay member and will travel down to London in November for inauguration. Please could everyone pray for Christine in her new role.
