The INEQE Independent Safeguarding Audit – share your views.

The Independent Safeguarding organisation INEQE will be auditing safeguarding across the Diocese of Chelmsford in February. It is part of a Church of England wide series of audits to help ensure dioceses and cathedrals are doing everything they can to create environments where people feel safe, valued and respected in our church communities. Ahead of the Chelmsford Diocese audit they are asking people to take part in a short survey. The survey is anonymous and confidential, and the results go straight to INEQE. It is also very straightforward to complete. It's important that they hear from as many people as possible in our church communities, so please do take a short time to share your views. There are different versions of the survey for different groups of people. If you belong to more than one group, please fill out a survey for each group you belong to. The surveys for Chelmsford Diocese can be accessed by clicking the button below. They will remain open until 11.30pm on 8 December. To complete the survey, visit ineqe.com/churchofengland/chelmsford/ or use this QR code.
