

Steve's Club

Hello Again! How are you feeling this week? There is a sense that we are all hopeful and waiting expectantly as we are beginning to emerge from lockdown. From Monday, some of you will be going back to school and we will be able to meet with our loved ones again, albeit outside and with social distancing. We have all had a different experience, for some it has been a period of respite, whilst others have missed their friends and felt loneliness and boredom. Some of us have sadly lost loved ones. As we move into a new phase it is easy to feel panicky and scared at the risk of being out in the world again and I think that we all feel like this at times. Be assured that God understands and meets us as we are.

Here is a prayer for this week:

*Lord,
As a new term begins
may you travel with us.
Embolden us to face our fears
energise us for your mission
give us hope and a vision
and grant us your peace.
Amen..*

This Friday evening and weekend is Canterbury Diocesan Day of Prayer and Pilgrimage which has been re-imagined for Lockdown as "Listening on the way"

Click on the link below for the Pentecost - Harvest prayer card. You may wish to pass it on to someone who you feel is in need of comfort and encouragement.

This Sunday is Pentecost, click the link below to watch an animation of today's Bible story.

be with you.
As the Father has
sent me,
so I send you."

John 20:21, NRSV

Pentecost Pin-less Pinwheel ~ Symbol of Fire and Wind

On the day of Pentecost, the Holy Spirit appeared as wind and fire. This spinning pinwheel will help remind you of these two symbols.

You will need:

- A pencil
- 3-inch pipe cleaner
- Paper Pinwheel- see below,
- Scissors
- Hole puncher
- Glue stick
- Felt pens

Instructions:

Cut out the paper pinwheel square, you could use red or yellow paper or just decorate with flame coloured felt tip pens. Glue the corners with the dots to the center, one on top of the other.

Create one hole through the center of the pinwheel using a hole puncher. Be careful not to crush the pinwheel.

Twist the pipe cleaner around the pencil top. Make sure it's tight.

Put the pipe cleaner through the pinwheel center. Wrap the end of the pipe cleaner around itself making a ball, but leave space to allow the pinwheel to spin.

Now give it a blow!

Have fun and why not send me a photo to share with everyone!

Have a good week.

Keep in touch, take care and keep safe

God bless

love Christine x
