

## **Celebrating together, wherever we may be**

### CHRISTMAS AT ST JOHN'S, LONG EATON

This year, our advent and Christmas celebrations may look a bit different. We are planning services online and in the church building. But our plans may change - as the government guidance changes.

We've outlined our programme of events in this flyer - but please check our website before you make any plans to visit the church.

Booking will be needed for some services at church - and if you do book, we'll be able to let you know if services are cancelled or go online.

For those who cannot join us at church or online, we'll also be providing CDs, and details of national services through the regular notice sheet.
