

Comfort and Joy

The Cheadle Comfort & Joy QR Christmas Trail

December 12th to 24th

Go on our trail around Cheadle to find the different Christmas displays (and see how many other Christmas windows you find on your way!) Look for the clues to help you find out what Christmas is really all about. There are 10 places for you to visit and at 3 of them you'll find special clues to help you work out what Christmas is about. If you find them all and solve the puzzle, come along to one of the All Hallows Christingle services on Christmas Eve, tell us the answer and win a prize!

Are you ready to find out what Christmas is really all about? Scan the QR code below then take a look at the list of places to visit on the other side of the sheet and decide where you're going to start. You'll find a special trail sheet at each place on the trail. At 3 places you'll find one of the clues you need and at the others you'll find a character from the Christmas story and a free activity for you to scan and download.

This trail is brought you by St Cuthbert's & All Hallows churches in Cheadle. You are welcome to join us this Christmas at any of our services, especially the All Hallows' Christingle services on Christmas Eve at 3pm and again at 4.15pm.

Ready to start searching for the real meaning of Christmas...?

The trail includes one school, two churches and a nursery plus six houses in the local area. All the Christmas displays will be visible from the pavement outside each location and you should be able to see a laminated trail sheet at each place. If one is missing, please let us know by texting 'missing sheet' and the address to 07907 384 371. You can visit them in any order—please follow social distancing guidelines and stay safe whilst having fun.

Visit Ladybridge School and look on their fencing for their Christmas display.
