preacher**

24th June – Howells, Parry

1st July - Holmes, Byrd, Gibbons

8th July – Morley, Dyson, Bairstow

- Beautiful architecture.
- Uplifting choral music of the past five hundred years, sung by the fine choir of St Michael's.
- Traditional words from the Book of Common Prayer (1662).
- Organ music played on the historic Grand Organ.
- A short and intelligent sermon.

For 45 minutes, leave behind the pressures of the outside world. This ancient church is a place of peace and inspiration.
