Patronal Festival

Evensong & Curry at St Benet Fink

On several Sundays throughout the year, the beautiful service of Evensong is sung by our choir of professional singers. The music sung spans the centuries and is uplifting whatever the mood or season.

After Evensong, everyone is invited to share one of our famous and delicious curries. This offers guests the opportunity to meet new people, talk to our musicians and clergy, share fellowship and enjoy excellent food and conversation.

The curries served are drawn from the cuisine of many countries, and like the music vary throughout the year according to the seasons. Washed down with a glass of wine, this is the perfect opportunity to nourish body and soul before the working week begins.

All are welcome at any of our services and events.
