- Refreshments are available for adults throughout the session. Please keep hot drinks on surfaces out of reach of children.
 - Children remain the responsibility of parents throughout.
 - We ask for a £1.50 donation per family, if you are able.
 - In warm weather, there will be the opportunity to use the outside space. Please ensure your child is supervised at all times, as the area is not secure, and there is a gravel path to be aware of.
 - Please complete a registration form at your first session.
 - Please sign in upon arrival at each session.
 - Sometimes the sessions got very busy. To keep everyone safe, we are limited to 18 family groups in the church room at once. This will be the number of spaces on the sign in sheet. When this becomes full, unfortunately we will have to put up a sign on the outside doors to say that we are unable to accept any more people into the church room for that session.
 - We follow the same illness policy as primary schools. Please give the group a miss if your child has had sickness and/or diarrhoea in the last 48 hours, if they have a temperature, or if they are taking Calpol to control a temperature
 - Please remember to follow buggy parking signs, and park in Mr Noisy's Room first, to keep the lobby area clear.
- If you have any comments or queries, please email Sarah at sedwards@stjohns-waterbeach.org.uk.**
