

Hello Again! It has been a difficult week for some of us personally and also worldwide. Some of us are coming to terms with bereavement and illness in our own families and there have been very upsetting events in the news. Some of you have gone back to school and have caught up with friends again. Whatever you have been doing this week we all need God's loving presence with us. May we be empowered to share that life and hope with others.

Here is a prayer for this week:

*Faithful God,  
Equip us for the challenges of this week  
Where we encounter conflict  
enable us to be peacemakers  
Where we encounter resistance  
bless us with your determination  
Where we encounter dismay  
may we offer encouragement  
And when the road is straight and smooth  
lead us to rejoicing.  
Amen..*

## Design your own megaphone

Before Jesus went back to heaven, he told his friends to go to all people everywhere and make them his disciples. Have fun making a megaphone!

**Instructions:**

Enlarge the template above to A4 size. Carefully cut out the megaphone template.

Decorate your megaphone as creatively as you like, remember not to decorate the flaps, you will need these to stick the megaphone together.

**Roll the megaphone.** It is time to shape the template. Start by taking one end of the template and rolling it carefully over the other end. Tape or glue the flaps to make sure that it doesn't unravel.

Now try it out and see what it does to your voice.

Have fun and why not send me a photo to share with everyone!

Have a good week.

Keep in touch, take care and keep safe

God bless

love Christine x
