

Messy Church is a chance for everyone, children and adults, to have fun, explore faith and enjoy a light lunch together.

What to expect at a Messy Church Gathering.

10:00am Come in through the main door and help yourself to a drink and some breakfast and take a moment to look at the beautiful building you are standing in.

We have other services in church each week to worship God in different ways in this Parish of St James Daisy Hill, Messy Church is one way. On this website you will find information about other services and ways to worship God.

10.15am Activities will open. There are around 6-7 activities to explore at each Messy Church. Help yourself to a bag to put all of your crafts in and please feel free to sit in the pews in church to work on your activities.

11.00am We will gather together in worship.

11.15am Lunch will be served. You will have been asked to make a sandwich choice when you arrived.

Although Messy Church is free of charge we do ask for donations to help cover the cost of crafts and catering!

Children must be accompanied by an adult.
