

On 16 June, the artist **Jeremy Thomas** will be bringing his collection of paintings called *The Human One* to St Mary's West Malling. This marks the start of a three-week Faith and Arts Festival for our Team. Parishes will be invited to take part in this in their own unique way, celebrating exploring faith through creativity. This may take the form of focus during a Sunday worship, a one-off event or a project that engages the wider community.
