Notes

NB Communion Services may sometimes be taken by a different priest from the one scheduled

We are delighted that **Revd.Simon Clark will be made priest on 30th June** by the Bishop of Hull. We look forward to the occasion, and to Simon's increased ministry among us. It will become easier for us offer Communion to every church monthly.

Simon and Diane's ministry helps the **clergy to offer additional non-eucharistic services that can be more suitable for outsiders**, eg, healing, family, informal, discussion, Any Questions, cafe, reflective, Songs of Praise, etc, etc. according to our Living Christ's story plan. Please ask if you would like us to help you with any.

Please make every effort not to cancel services or change times. People are now travelling to churches other than their own for services and we cannot guarantee informing everyone of any changes. Please refer any problems or requests to myself (or tell me when it works for you!).

There may be **changes to the communion rota pattern next quarter** to make better use of increased clergy availability

Philip West
