Deadline for contribution for the double issue

July/August 2025:

By WEDNESDAY 14th June 2025

June is the time of year when we really begin to enjoy the summer months isn't it? The light nights and the sunshine (hopefully!) encourage us to spend more time outside in the fresh air. I love the summer months; it's the time of year when I feel most alive.

It's brilliant to spend time with family and friends, sharing food and socialising, even the sun makes things better! It's so important to spend time together to encourage friendships to grow and deepen. After all Jesus commanded us to love our neighbour and in order to love our neighbour, we need to get to know them, don't we? If you've not joined us yet for any of the church socials, I encourage you to come along.

The next event is the **Vicarage Garden church service and BBQ on Sunday 29th June (service at 11am, BBQ from 12.30pm)**, come along and enjoy the garden, food, a drink and good company. Then we have the church **Afternoon**

Teas every Sunday from 2pm in Alderminster throughout the month of June.

The early disciples spent a lot of time together; in fact, they shared life together. They had some amazing times together but there were also some difficult times. They were there for each other through it all – celebrating the good times and supporting each other and helping in times of difficulty.

I believe it was through this united bond, joined together in Christ, through His Holy Spirit, that they found the strength to face persecution and continue Jesus' mission to build the church.

In the book of Acts, we see they gathered together in prayer. What an important message that is for us today, we need to discover the importance of praying together and waiting on God. If you've not already joined us, why not come along to our **weekly prayer meeting every Tuesday evening at 6pm** (which rotates around the Benefice villages). It's so important to pray together, because when we pray God does act – it's amazing! Look what happened to those disciples, the Holy Spirit came upon them in the most amazing and powerful way, completely transforming them and the world as we know it! Have you experienced the Holy Spirit in your life? Have you asked the Holy Spirit into your life? Because with God's Spirit in us, we are slowly transformed each day to become more and more like Him, and we are also united with our Christian brothers and sisters around the world.

So why do I feel more alive at this time of year? Simple. We've just celebrated Easter, the most important event in the Church year, Jesus' death and resurrection which means sin and death are defeated, the victory is won! That's a great reason to feel alive. But Pentecost, the gift of the Holy Spirit is the gift which enables us to grow and live for Christ, the gift that ensures we are not alone. Christ is with us always – that's the reason why I feel alive, because Christ lives in me – what about you?

A sincere tribute was paid to Councillor Izzy Seccombe, who is stepping down as County Councillor for the parish following the recent election. The Council expressed its gratitude for her many years of dedicated service to Ettington and the wider community.

Introduction of New County Councillor

The newly elected County Councillor, David Curtis, attended the meeting to introduce himself. The Parish Council and residents welcomed him and look forward to working collaboratively on local matters.

Request for 20mph Speed Limit

Residents raised concerns about traffic speeds through the village and requested that the Council approach Warwickshire Highways to explore the introduction of a 20mph speed limit. It was agreed that this issue will be added to the June meeting agenda for further consideration.

Support for Planning Application at Wilkes Farm

The Parish Council confirmed its support for planning application 25/00789/OUT, relating to Wilkes Farm, Fulready, Ettington (CV37 7PE). The outline application, with all matters reserved except for access, proposes the erection of one self-build dwelling to meet an identified local need, including widening and alterations to the existing vehicular access and all associated works. The proposal aligns with the priorities set out in the Neighbourhood Development Plan.

MUGA Booking and Payment to Begin

It was agreed that booking and payment for the Multi-Use Games Area (MUGA) will begin after the Spring Bank Holiday. Users will be able to book sessions via the Parish Council and Community centre websites using a debit or credit card.

ETTINGTON COMMUNITY CENTRE

Could You Be Part of the Team Running Our Community Centre?

One of the village's greatest treasures is our vibrant, modern, and beautifully equipped

Community Centre. It's a busy hub of activity, welcoming people of all ages for everything from fitness classes to social clubs, community meetings to children's events—week in, week out.

But behind the scenes, it takes a team of dedicated Ettington volunteers to keep things running smoothly — and now, we're looking for a new one!

Opportunity Alert: Maintenance Manager Needed

Our brilliant Maintenance Manager will be stepping down after six incredible years of service. So, we're on the lookout for someone (or maybe even a dynamic duo!) to step into this vital role.

What's Involved?

Don't worry—this isn't a hands-on building job! You won't need any special qualifications, just a watchful eye, some basic common sense, and a bit of spare time, occasionally a bit of DIY, all to help us keep the Centre in tip-top shape.

You will:

- Monitor the condition of the building and equipment.
- Arrange for repairs with trusted tradespeople. (We have a great list of contractors!)
- Help ensure everything is working as it should.

Who Might This Suit?

If you're recently retired, working part-time, or just keen to give something back to your community, this could be a perfect fit. You'll have plenty of support—including a friendly handover from the current Maintenance Manager, who'll still be around to help you, as will other members of the trust team.

Want to Learn More?

If you're curious, interested, or just want a tour of the Centre to see what it's all about, drop us a line at roger.gollicker@ettingtoncommunitycentre.co.uk.

We'd love to hear from you!

Let's keep our Community Centre the heart of the village - together.

Ettington Community Centre is a perfect venue for parties, business meetings, workshops and self-catering christening/baptism parties, weddings and wakes. With three differently sized rooms available, space can be configured flexibly to suit your needs. The centre is served by superfast broadband, which is available throughout the building.

For bookings and enquiries, please contact Eva Lowe on 07975 682775 or email booking@ettingtoncommunitycentre.co.uk.

UNACCEPTABLE

**THIS HAS TO
STOP**

Vandalism at the Community Centre

please help us to stop it

We have nearly 40 airbricks around the base of the centre and over the years, all of them have been broken and kicked in.

As a result, we've now experienced the infestation of mice on the first floor since last winter. They simply gain entry via the airbricks, climb up the wall cavities and then set up home.

At considerable cost we've now eradicated the problem and had all the airbricks covered with special metal mesh covers.

However, within weeks we've already had around 5 new covers kicked in. These will now need to be repaired or replaced, costing us yet more money.

Your cooperation, help and observation in trying to stop this, would be much appreciated.

Astronomical Society News by Adrian Wakeham and Dave Benton

The Stratford-upon-Avon Astronomical Society meets **every first and third Tuesday at 8pm (doors open at 7.30pm) at Alderminster Village Hall**. Everyone is welcome, especially beginners and those wanting to learn more. The **first Tuesday** is a club night, in June that will be on **3rd June** and the speaker on the **third Tuesday 17th June 2025** will be Professor Christine Done, from Durham University, with a talk called “Black Holes – recent breakthrough results”. Please note that the speakers usually start quite promptly at 8pm.

Return to the Moon.

In the last year or so, and probably in the next few months, you’ll hear about America’s plans to return to the Moon.

When, in December 1972, as astronauts Harrison Schimdt and Gene Cernan sealed the lunar module before returning to the command module of Apollo 17, not many thought it would be over 50 years before humans would return to the Moon.

Many countries have sent missions to the Moon and landed on the lunar surface. The Russians and Chinese have returned samples of the surface. The Chinese from the far side (also known as the dark side).

Artemis 1 was an unmanned version of the craft which America hopes to use to return humans to the Moon, and this orbited the Moon in 2022. Artemis 2 intends to send four astronauts into lunar orbit but not land. This is unlikely to be before April 2026.

If successful Artemis 3 will land astronauts on the Moon. It will carry four Astronauts, including a woman, an African American and a non-American. The mission is intended to last 30 days.

It intends to land close to the South Pole, hoping to find water, which will be very useful for any permanent lunar settlement.

Credit to NASA

The next stage will be a permanent lunar gateway in orbit. Then, the next challenge would be to launch a mission to Mars, from the Moon base.

One 'fly in the ointment' for the Americans could be the Chinese. They are secretive about their future plans and may try to beat the Americans in this new space race!

Club nights offer more information on what to look out for each month. If it is clear we do some observing just outside the Village Hall, so please join us. There is no charge initially to come along and find out more, but if you do want to become a member then the fee is just £15 a year and it's free if you are in full time education. For more details go to the website <http://www.astro.org.uk> or contact the Chair, John Waller john.waller@astro.org.uk or on 07703 192188.

Happy Observing!

Local Lions Club sends aid to help the disaster in Myanmar

Following the devastating 7.7 magnitude earthquake on March 28th that affected Myanmar and Thailand, nearly 4,000 people have lost their lives and more than 5,000 have been injured and countless families displaced.

As a local charity, Wellesbourne and District Lions not only raise money to support the local community but are also able to donate to emergencies around the World through the Lions

International movement. In over 200 countries and 48,000 clubs it has 1.4 million members which means that when disasters strike, Lions International can quickly provide support to disaster areas. Wellesbourne and District Lions were able to donate £500 to the disaster relief fund to help those affected in Myanmar and Thailand.

Closer to home in April we were out in the community raising £450 with our Easter Egg Raffles. Many thanks to Wellesbourne Sainsburys, Barford Village Shop, Ettington Shop & Post Office and Massimo Barbers for holding the raffles and a big thank you to all those that donated.

There were 5 lucky winners, and we hope they all enjoyed their eggs!

Very simple recipe for Refreshing Chia Lime Drink

Soak **1 teaspoon of chia seeds** in just enough hot water (to speed up the soaking process). They'll absorb the liquid and swell quickly.

If you have **goji berries**, soak it along with the chia seeds. It adds colour and texture.

Squeeze the **juice of one fresh lime** into 1 cup of cold water.

Add **brown sugar** to taste (if using) and stir well until dissolved.

Stir in the soaked chia seeds along with goji berries if using.

Just before serving, add slightly **crushed mint leaves** for a cool, refreshing twist.
