

A Summer Recital

Sidmouth Parish Church

Saturday 30th August 2025 at 3pm

by James Mason-Carney
accompanied by Andy Benoy

We warmly invite you to hear 17-year-old James performing a recital from his Diploma repertoire.

Sidmouth's community has nurtured James since he was a young chorister at Exeter Cathedral. He raised funds for children suffering with hair loss from alopecia or cancer treatments, through his busking in Sidmouth Market Square.

Now, from his angelic treble notes has emerged a rich baritone voice, with which James will delight us by singing Baroque, Classical and Romantic pieces. Join us for this summer charity event at Sidmouth Parish Church.

Entry FREE – donations to Hospice at Home
