### **Free Advent and Christmas resources**

The Resource Hub is a one-stop shop for free images, videos and resources. For Advent and Christmas, we have updated the Resource Hub with Advent, Christmas and The Joy of Christmas related assets. This year we have added more than ever with a range of different formats for each resource that can be downloaded and customised. We hope that by providing different formats, this will make the resources accessible and easy to use for more people.

- 
- This year we have included more tailored templates for your services throughout Advent and Christmas, which include posters and social media posts for carol services, Midnight Mass services and other key services around this time of the year.
  - Some other new templates, which can also be edited in Canva, include Christmas Messaging images to share on your social media or elsewhere with your church community.
  - We have also designed and added to the Resource Hub, Advent and Christmas icons for this year's theme: The Joy of Christmas.
  - If you are a Canva.com user, there are links to most of the resources, so you can start customising them straight away in Canva.
  - Other free Advent and Christmas resources you can find on the AChurchNearYou.com Resource Hub include, The Joy of Christmas logos and brand guidelines, AChurchNearYou.com cover and feature graphics, social media, PowerPoint and flyer templates and much more.
