Powered by Hope

Date for your diary: On Saturday 4th October at the Friends Meeting House in Manchester, Christian Aid is holding its national conference. It promises to be a good, informative and lively day, with speakers, workshops - and a free lunch! The event itself is free too. Christian Aid says: 'Join us at Powered by Hope as we wonder at the deep love of God for the world around us and explore the limitless ways that we can work towards a world free from poverty'.

If you would like to go but don't use the internet, please just let me know and I can register you. Hilary

Harvest Festival 28th September at St Thomas'

As usual we would be very grateful for donations of tinned or dried food, which will be given to the Booth Centre, which does such positive work with people who are homeless. We will also have a collection for Water Aid - a charity we have regularly supported. Their aim is that –

'Together, with your help, we'll keep working until everyone, everywhere has clean water, decent toilets and good hygiene'

- There are still millions of children without access to clean drinking water, toilets, washing facilities, so every donation, however small, makes a huge difference.
