Sarah Jones Everyday Normal UK Tour

Wed 29th October @ 8pm

St Bride's Church Percy St L8 7LT

Sarah Jones embarks on a UK wide speaking tour in late October/early November with her Everyday Normal sessions.

In the Everyday Normal sessions, Sarah explores the reality of being trans and of being outed as the first person to be ordained by the Church of England having previously made a gender change. We'll think about the issues and the concerns of today and we'll look to the future to see what that might hold.

We'll laugh together. We might cry. Everyday Normal is a life-affirming session for people who would like an entertaining exploration and who would like to understand trans issues for themselves.

Tickets are £10
