# How can you help?

You may already have heard something about our Building Project Appeal (and you can see more information in the church and on our website), but last winter our boilers failed, and this has become the priority for our fundraising appeal.

We are working towards a warmer church, and your support would be very welcome.

This event will include a 'Gift Day' element, where you can learn about the different ways in which you can offer help for the benefit of all who use this splendid building for worship, concerts, exhibitions, meetings...

and to preserve it for centuries to come.

Anything from an ad hoc donation on the day  
(by card or cash)

to registering for Gift Aid and becoming a regular donor via our Parish Giving Scheme,

please come along and talk to us.

We look forward to seeing you.

If you are unable to attend the  
Heritage Morning, but would like to  
support our Appeal please scan the  
QR code below to make your donation.

Thank you very much for your  
support.
