

# All Age Services 2026

Thank you for your feedback to the recent survey about our monthly All Age services. We have listened prayerfully and are proposing some changes which we will trial in January, February and March.

- Starting Sunday 4 January 2026 10am
- Breakfast Church in St Peter's Hub
- Bacon rolls, pastries, tea and coffee
- Arrive by 9.45 to ensure you have food and a seat, service to start at 10am
- Everyone seated around tables to eat, share, worship and pray together
- Suitable for all ages – helping our children learn how to worship – how can your own understanding and faith support them?
- Keyboard, projection and a single microphone
- No Zoom or Twitch as there is no internet in the Hub and mixing the sound would be difficult.

We encourage you to:

- Pray before you come and give it a try
- Ask God to show you how you can learn from worshipping with 'all ages'.
