Christmas  
may be a difficult time of year  
for those whose hearts are hurting.  
You are not alone.

Join those gathering for a quiet, contemplative service,  
the lighting of candles, space for lament, a few gentle carols, reflection  
and a chance to remember the coming at Christmas of  
Jesus | Emmanuel | God with us  
who walks with us even in our saddest times  
and promises to bring light into the darkest places.
