**5TH DECEMBER 10AM -12 PM.**

Elegant and reusable gift presentation. Participants will learn block printing and the art of Furoshiki (traditional Japanese wrapping cloth) using repurposed fabrics (old scarves, linen, cotton) to create a beautiful, knot-tied wrap for wine bottles or other gifts. This eliminates the need for disposable wrapping paper and makes the wrapping itself part of the gift. All materials will be provided, however you are welcome to bring anything you think might be suitable. No previous experience needed.

A £10 booking fee will be collected to book a place which will be fully refunded on the day of the workshop.

NO SHOW NO REFUND
