## Living Life with the Early Church

**Join us to hear William Cooper Bailey talk about living life with the early church.**

"learning about these early Christian leaders' life and work is of vital importance to us as we strive to lead our own lives of discipleship. We grow in our faith and discipleship with Christ through regular prayer, reading of the scripture, and drawing on the insights of many Early Christians, whose words have encouraged many down through the centuries, and echo strongly today."

The evening will focus on Communities in the Early Church, and how these experiences can be applied in practical terms to the world today.
