Jesus lived with the awareness that God is doing something, right here, right now, and anybody can be a part of it. He encouraged his listeners to search, to question, to wrestle with the implications of what he was saying and doing. Wherever he went, Jesus started discussions about what matters most, because for Jesus, God is always inviting us to open our eyes and join in.

NOOMA is a series of short films that explore our world from a perspective of Jesus. NOOMA is an invitation to search, question, and join the discussion. Rob Bell speaks with relevance to our time and place, regardless of what generation we represent, and leads us to thinking about what is ultimately important.
