

Mothering Sunday: A Warm Invitation to All

Sunday, 15th March

We warmly invite you to join us for Mass this Mothering Sunday. In the heart of Lent, this day offers a moment of profound refreshment as we honour those who have nurtured us and celebrate the care of "Mother Church".

We especially encourage our parishioners to reach out and reconnect with family, friends, neighbours, and those who may feel distant from church life. All are welcome to find a place of sanctuary and fellowship here.

On the Day

To celebrate this occasion, we are delighted to offer:

- **A Token of Love:** A small bouquet of flowers will be presented to everyone present as a visible sign of God's care.
- **Fellowship:** Please join us after Mass for refreshments, including traditional **Simmel Cake**
