

A stone path winds up a grassy hill. In the center of the path is a large, weathered stone crucifix statue. Several people are walking along the path, some towards the camera and some away. The scene is bathed in the warm, golden light of late afternoon or early morning, with long shadows cast across the grass and the path. The overall atmosphere is peaceful and contemplative.

Family Stations of the Cross Good Friday 3rd April at 10am

Followed by drinks & Hot Cross Buns
