

# Every hour, someone will be there.

From 10am Saturday 25th April,  
St Mary's will be open for 24  
unbroken hours of prayer —  
a candle lit, a space held,  
someone present through every  
hour of the day and night.

We'd love that person to be you,  
for just one of those hours.

## What is it?

A prayer room is a quiet space set  
up with various activities and  
prompts to help you pray —  
whether you've prayed for years or  
never quite known where to start.  
Come as you are.
