# PILGRIMAGE AT HOME WITH GOD

**St John's, Upper Norwood, warmly invites you to our Pilgrimage at Home — a special weekend of prayer, worship, fellowship, and fun.**

You don't need to travel far to encounter God or to draw closer to one another. Over three days, we'll share in the beauty of sung worship, quiet prayer, and joyful community. There is something for everyone, whatever your age or stage of faith. Whether you're a long-standing member of our parish family, someone who has recently found their way to St John's, or a friend simply curious to explore, you are welcome here.

Come and spend a weekend being renewed, refreshed, and rooted in the life of this community. Weekend programme includes:
