BELL RESTORATION PROJECT

Our church bells have been a big part of village life, ringing out and bringing the community together since 1893. Time and the elements have taken their toll and unless we take action NOW to restore this peal of bells, their historic voices will fall silent.

We are launching a campaign to raise awareness and funds which will enable our bells to ring out well into the next century. We would appreciate you taking the time to join us to learn about the project and how our village community may help

Hope you can join us on **Thursday 28th May at 7pm, Jubilee Hall, Rothbury**
Light refreshments provided.
