

Nash & Boraston PCC

Community Needlework Project

Open Evening

Do you have skills to share or want to learn something new?

This exciting project is embroidery, sewing and more! Come and see what it is all about. Using many skills we plan to restore/repair the original embroidered Altar Frontals at Nash Church

And create a new one!

This is part of the Tower, Spire and South Nave Roof project.

7 pm Wed 24th June. Nash Village Hall
