After a successful fundraising campaign and the help of volunteers, we will be celebrating the work carried out on the hall.

Come and see for yourself!

We have a new accessible toilet, refitted and redecorated kitchen and a washing up room, together with new lighting and a cesspool.

**At the Community Café on Saturday June 27<sup>th</sup> there will be free cake and hot drinks from 10 to 12 noon. The usual café sausage and bacon butties will also be available.**
