LAST DANCE SALOON

Two people, no longer in the first flush of youth, find each other at a tango retreat in Buenos Aires. A spark is lit, their passion smoulders – this was meant to be. But one has work and family ties in South America, the other in North Devon. They settle into the frustrations of a long-distance relationship, fuelled by regular tango sessions in Argentina that include unexpected flights of the imagination. Then one of them weighs the ecological consequences.

A **multi story** mix of music, song, dance, physical theatre and stories ancient and modern.

"A tour de force that provokes, entertains and dazzles."

"I loved the gentle humour, tenderness and mild surprise at arriving at a different stage in life and thinking more about your place in it. Thought provoking on every level and great to feel included... like a warm hug on a stormy night."

We're Gill and Bill. We're based in North Devon and, as **multi story theatre company**, have spent the last twenty-four years creating new work that responds to the times we live in. We have toured our productions both nationally and internationally - theatres, arts centres and rural touring schemes across England and Wales; Fringe Festivals in UK, Canada, USA, Czech Republic and Ireland; and schools and colleges in Chile, Peru, Colombia, Uruguay, Norway, Finland, Portugal, USA and Ukraine.

As theatre creators, and as audience members, we're passionate about work that's rooted in the local but speaks to the universal.
