🙏 Lord, transform us by the renewing of our minds. Guard us from being shaped by the values and distractions of this world. Instead, fill us with Your love so that we may discern Your good, pleasing, and perfect will. Teach us to see ourselves and others through Your eyes, with humility, gratitude, and love. **Amen .**

🙏 Heavenly Father,

Forgive us when we think too highly of ourselves or underestimate the gifts You have given us. Help us to recognise that we are all members of one body in Christ, each with a unique purpose and calling. May we honour one another and work together in unity for the building of Your Church.

We offer ourselves anew to You today, trusting in Your grace and seeking Your guidance in all things.

In our ways and thoughts, we are saying thank you for the glory we can see despite the world's selfish forces

Through Jesus Christ our Lord. **Amen.**

🙏 Lord Jesus, you see the truth of my heart more clearly than I do.

Forgive the times I honour you in words but resist you in action.

Give me the courage as, in Gospel reading today — the courage to change, to turn back, to do what is right even after I have refused.

Let your authority be freedom to me, not burden; your call, a path of life. Lead me today into the obedience that grows from love. **Amen.**

🙏 Our Father, Father of all creation, you are holy and your name is life.

Let your kingdom grow among us, let your will shape our land and our people.

Give us today the food we need, and make us generous to those who hunger.

Forgive the wrongs we have done, as we forgive all who have wounded us.

Walk with us in every trial, and protect us from all evil.

For you are our Father, and all power and glory belong to you, now and forever.

. Amen.

Is it worth it?

If comfort comes through Christ our Lord, If love has made us one, then let us share one heart and mind Until God's will is done.

Let selfish ways be laid aside, Let pride no longer reign; But count the needs of others first, And seek another's gain.

Though Christ was in essence of God, He claimed no earthly fame; But emptied self and took our form, And bore a servant's name.

In humble form He walked our road, Obedient unto death; Upon the cross He gave Himself, And yielded up His breath.

Therefore, God raised Him from the grave, Exalted Him on high; Above all names His name now stands In earth and sea and sky.

So hearing the name of Jesus, we bend our knees and tell : Confessing to the Father's praise, That Jesus Christ is Lord.

So may **we work with reverent hearts**, follow the way of Christ; For the Holy Spirit works in us, To will and serve our God.

Through every task and act of love, then Jesus shines in us; leading our way from earthly fears then God's will is fulfilled

**Jesus Christ is Lord, Jesus Christ is Lord;
To the glory of God the Father, Jesus Christ is Lord.**

**May God's blessing be upon you now,
May you know of his great love for you.**

May God's blessing be upon you now, right where you are.
