Ward of the Stigmata of St Francis, Bournemouth

To: CBS, the Ward of the Stigmata of St Francis, Bournemouth.

Thursday 10 September 2026

Dear Associates and friends,

Greetings.

I hope you've enjoyed a good summer, and have managed to cope with the several heat waves.

Our next gathering of the CBS Ward of the Stigmata of St Francis is very soon now, on this coming Tuesday, 15 September.

The Eucharist is at 7:00pm as usual, at St Ambrose' Church, Westbourne, for our "name day" celebration: the Stigmata of St Francis (the actual date of this commemoration being 17 September).

If you are a new member and have received your CBS medal and cord but it has not yet been blessed, please make sure that you bring it with you to be blessed at that Service.

All are welcome – Members and Non-members – so please feel free to invite others who might like to come along.

Clergy who wish to robe should wear a cotta and white stole, if they so desire. (Biretta optional).

Kindest regards,

Robin
