Tours of the bell tower - Glossop Parish Church

Heritage Open Day

Saturday 19th September, 10.00 - 1.30pm

What to expect

We're offering tours of the bell tower at Glossop Parish Church - come along to learn more about the tower, the bells, and the art of ringing.

We will let you have a go at chiming a bell, and for those able to climb 55 steps, to view the eight bells.

2023 marked the centenary of these bells being recast and rehung, and we are delighted to open our tower once more to share this history.

Tours last for 30 minutes and are free.
