14th October 2026

Dear Parents/Carers and Children,

You are warmly invited to join a **Christingle Service at St Saviour's church, Mortimer West End, at 4pm on Christmas Eve**. These services are celebrations of light, hope and thanksgiving. You will appreciate that booking in advance enables our team to make a Christingle for every participant. Your donations help the Children's Society to raise much-needed funds to support children and young people growing up in very dark or difficult circumstances.

Please fill in the attached slip with the names and ages of all children wishing to attend the Christingle Service and return it to St. John's church, Mortimer by **Monday 14th December** or email to admin@mortimerbenefice.co.uk.

The Christingle Service includes carols, prayers and a short reflection. Pre-School Children collect their Christingle and return to their seats. Older children collect their Christingle, form a circle around the church and their candles are lit. Stewards will guide and supervise in church. Parents/carers are asked to remain vigilant.

The Discipleship Team

**Christingle Service at St Saviour's church, Mortimer West End
Thursday 24th December at 4 pm**
