Forgotten God -
Encountering the
Power of the
Holy Spirit

Open to God will be meeting again on Sunday 15th November. The venue will be at the 'Upper Room' of Holy Trinity Church. We will bring and share food with tea and coffee before the main service so we can get to know the people with whom we worship the Lord.

This week Rev. Steve will be speaking on 'Forgotten God - Encountering the Power of the Holy Spirit', and Joan will lead us in worship.

Come and enjoy this informal discipleship service, with a focus on Biblical teaching and worship.
