

## Prayer Focus

- May our hearts be filled with thanksgiving as we realise the extent of Christ's love for us and think of others whose lives would be transformed if we could share with them what His love means to us.
- As we prepare ourselves for the time when Christ comes again in glory, we pray for grace and honesty to see what needs transforming in our lives as members of the Church of God.
- We pray for all those who find the colder weather difficult to deal with, may we be vigilant in our awareness of anyone who may be finding it hard to cope.
- Our Deanery Prayers this week are especially for the parish of St. Augustine and St. Barnabas The Rev'd Caroline Phillips and Matt Arnold.

## Knitting Angels

Can you add to our heavenly host by knitting an angel? Any size of wool as long as it is white, I used some with a sparkle through it and that looks good, but not essential. A pattern is available in the box and some silver pipe cleaners to make halos. These are quick and easy to make. Size 6 needles work well and they can be stuffed with cotton wool balls as they are for decoration not toys for children. Feel free to use your own pattern or indeed crochet one. They need to be at least 6 inches tall, so they can be seen. No idea how many we need. How big is a host of Angels? Thank you, Mary.

## Mothers' Union

Thank you to all who supported the Mothers Union quiz night it was an enjoyable evening.
