**Bible Notes** If you requested July Bible Reading notes, named copies are now available for collection from the narthex table.

**Open the Book** has the aim to take the Bible out to every primary school in Ripon. Do you want to be part of this exciting ministry? It has been really well received and another school has now asked for us to start coming. This is brilliant news but to do this successfully we need some more volunteers. If you would like to find out about how you can help, please see Irene Butterfield or contact the office. Our expanded programme will start in the autumn.

**BOOST 27 to 30 August** Bookings for our children's summer club are starting to come in. If you have children or know of families who have children who would like to attend, please sign up to

secure a place. Just follow the links on the Trinity web page.

**Kitchen Refurbishment** You may notice some minor changes leading up to the formal closure of the kitchen which occurs on July 16. The kitchen will be open again sometime after 19 August.
