Ripon Area Ordinations 13 July, 2pm Holy Trinity will be hosting the above, to ensure that this service is a success & the hosting happens with a minimum of

drama we will need a number of volunteers to attend the service as hosts & sides people as well as people who are willing to help to serve refreshments after the service. Later the same day Messy Church will be taking place in the Arches so it would also be a great advantage to have a few volunteers to help with clearing things away after the service to enable everything happens as smoothly as possible.

BOOST 27 to 30 August Bookings for our children's summer club are starting to come in – we already have 30 and the invitation cards still haven't gone to schools!. If you have children or know of families who have children who would like to attend, please sign up to secure a place. Just follow the links on the Trinity web page.

Kitchen Refurbishment You may notice some minor changes leading up to the formal closure of the kitchen which occurs on July 16. The kitchen will be open again sometime after 19 August

Please pray for :-

Kajo-Keji Christian College

Between July 15th-19th the College will be hosting and leading the second Pastors and Spouses Conference, an event initiated and led by John & Cathie last year. 20 Pastors and their spouses are being invited from the refugee camps to resource them with rest, teaching and encouragement for their draining and demanding ministry. This event has been partially funded by the £500 donation from Holy Trinity. Please pray for all aspects of this significant event.-
