

# News from St Mary's for 6 June

## The First Sunday after Trinity

### Services

This Sunday, **6 June**, our **Parish Eucharist** will be at **St Mary's at 10am**.

This service will be recorded and uploaded to our [Sunday Service playlist](#) as soon as possible. Alec's **reflection** will be available within that recording, and as a separate video on our [Reflections playlist](#).

On Thursdays at 8pm St Mary's broadcasts compline live on [Facebook](#): this is a time to rest and be restored in a busy week.

St Mary's will be **open for times of personal prayer** on **Wednesdays 10am–12 noon** and **Saturdays 2–4pm**.

You can join our partners at Barnet Brookside Methodist Church for Sunday services at **11am** on zoom. You can also share with Barnet Brookside in morning prayer every **Thursday at 11am** on zoom, and in worship at **8pm on the first Tuesday of every month** on zoom. Please [contact Wesley Hall](#) for invitations to zoom.

Next Sunday, **13 June**, we will also celebrate our **All Age Eucharist** at **St Mary's** at **4pm**.

Please contact [Roger Melling](#) on 020 8449 2283 to book a place at any of our services in the church building.

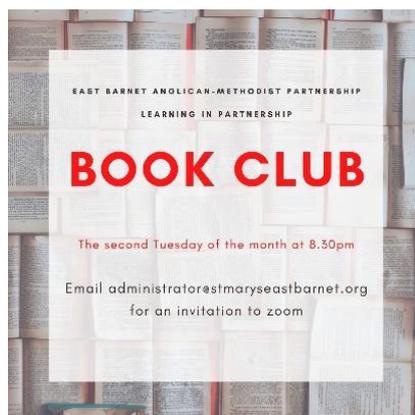

### **Beauty, Truth and Goodness: an exploration**

Over the next few weeks we'll be sharing short videos on [Facebook](#) that show diverse members of our community talking about what Beauty, Truth and Goodness mean to them, and what they tell us about God. Please **watch, like, and share** these videos with your friends. They're a really accessible way to encourage a conversation about faith and joining our church community.

### **Resources for children and young people**

Each week in term time, Alec produces **Collective Worship while we are apart** for local school children. This is available for Thursdays on our [Collective Worship playlist](#).

## Social and learning opportunities

The next book club will meet at **8.30pm on Tuesday 8 June**. We will be reading **The Madness of Grief** by the Rev'd Richard Coles. Please contact [the parish office](#) for an invitation to zoom.

A Rocha holds its **Eco Church Festival** on **Saturday 12 June** from **9:30am-1:30pm**. This includes webinars from leading conservationists, scientists and experts linking with [Churches Count on Nature](#). The full list of webinars can be found on the [Church of England website](#).

We will be holding an online **church tea party** from **4-5pm on Sunday 20 June**. Please contact [the parish office](#) for an invitation to zoom.

When Covid-19 risk assessments and rules around socialising and hospitality change, we also hope to hold in-person social events this summer, and to continue with events online to make our church community as accessible as possible.

## Charitable giving

## Intercessions

We have renewed our prayer list, so please contact [the parish office](#) to let the Rector know if you or a loved one would value the community's prayers.
