Hello! It is great to be able to write to you once again in a St George's Church newsletter. In January, I decided to stop publishing the newsletter because, frankly, we didn't know what was happening day to day, let alone an entire month ahead!

It has been a strange and unsettling time as we were thrust back into another strict lockdown and then the slow releasing of restrictions as part of the government's 'roadmap' out of lockdown. Although, everything in this newsletter is subject to changes in the situation with the pandemic, we are now able to look ahead and make plans for a return to something like 'normal'. We are, of course, still limited in what we can do and social distancing is still in place, as I write this.

As we prepare for the end of lockdown, I think it is wise for us to take some stock of how hard the last year has been and that's why we are going to have a *Service of Lament & Healing* on Sunday 20<sup>th</sup> June at 11.30am. We will start after a very brief 11am service. People are welcome to either stay on after the 11am service or arrive at 11.30am, whichever suits you.

Later in the month and going forward into the summer, we are excited to announce a new service for children and families on Sunday 27<sup>th</sup> June 10am. It has been extremely difficult for many families to attend church during the last year, so we are going to trial a new service specifically designed for children of all ages and their families. We're also excited to announce that Kids Church will start meeting again in person from July. More details will follow on this!

Welcome back!

Adam

### **Service of Lament & Healing** **Sunday 20<sup>th</sup> June 11.30am**

On 20<sup>th</sup> June, we will be holding a *Service of Lament & Healing*, straight after a shorter than usual 11am service. In this service we will have the opportunity to name before God our experiences of pain, sadness and loss through the pandemic and in other circumstances. There will also be the opportunity to receive prayer for healing and wholeness.

### **Family Worship** **Sunday 27<sup>th</sup> June 10am**

On Sunday 27<sup>th</sup>, we're going to trial a new kind of service, especially for children and their families. Children and grown-ups of any age are welcome for a relaxed time of worship and play together.

### **Kid's Church** **Re-starting in person in July!**

After over a year of online sessions, Kid's Church will once again start meeting again in person. Kids Church will meet twice a month at 11am in the Beacon School. For more information, please speak to Terri Quigley.

### **Start Course**

Would you like to explore a bit more about the Christian faith? We are looking to run the Start Course during the summer for anyone wishing to learn more about the basics of Christianity. Speak to Adam if you're interested.
