Helping to get the bells ringing in Bawtry again!!

St Nicholas PCC are delighted to report that we finally have the required permissions to progress the structural repairs required to St Nicholas bell tower. The cost of the repair is expected to be around £68,000.

As a PCC we have around £28,000 of funds - leaving us very little in our reserves. We are currently applying for grants from charitable organisations who may or may not provide some of the funding required.

We are hopeful that we can raise some money locally and whilst we are mindful that the last 18 months have been a very difficult time financially for many, we are also hopeful that church members will also feel able to donate generously to this important project. More details on how you can do that are coming soon!

If you have fundraising ideas to help us reach the financial target please contact Becky and we will arrange to meet at the church to get the 'wheels in motion'.

We have been tasked by the diocesan chancellor to complete the work by May 2022, so no time to hang around!! Please pray, please give and please volunteer to help!!

Rebuild Learning Community

As part of our commitment to develop ministry among children, youth and families we have joined a Diocesan-wide learning community, lead by Bishop Andy, called Rebuild.

The shared conversations and learning will feed into our own development plans in the months ahead.

If you would like to get involved with this, please speak to Rev Becky, Linda Merryweather or Lynne Saint.

We would love for more people to get excited about how we can develop a thriving children and families ministry across the benefice.

Update on on-going COVID regulations

Following the Government announcement earlier this week in response to rising numbers of infections caused by the Delta variant, we continue to adhere to social distancing and the mandatory wearing of face coverings in all of our churches and we are still unable to sing. This will be reviewed once further government announcements are made later in July. The delays have also resulted in a review of upcoming events and sadly we are postponing the Vicarage Garden Picnic.
