Return of the ...

Just like everyone else, the Gather Round Ladies have had a strange old last 16 months. From initially cancelling our April 2020 meeting, through to our fun and varied monthly Zoom meetings, we've been very careful about being socially distant at home but now...

We're meeting in real life!

We have decided that we're ready to dip our toes back in the water of meeting in the "real world" by holding our summer picnic on the 10th of August, either in the fresh air of Ann Covington's garden, or in the spacious venue of Christ Church halls if the weather forces us inside.

We will still be careful by bringing our own food and not being too close to one-another; hopefully this means that any women who would like to join us will be comfortable. Ann will provide hot drinks for those who would like them.

During the evening we will be deciding whether we are moving our meetings from Zoom permanently (following any government rule changes as required). Wherever the venue, September's topic has already been decided: "What's kept me going during lockdown" e.g. TV shows or films, but also hobbies, so have a think and decide what you'd like to talk about.

Our recent meetings have included a Summer Quiz (sorry if the anagrams were too hard), we've discussed our favourite books that we've read in the last year, we've cooked flapjacks in our microwaves and had a speaker from The Children's Society to learn about their work.

We have topics planned for a few months too, but we'd be grateful for any more interesting discussion topics, activities to attempt, or speakers from whom we might be interested in hearing.

All ladies are welcome and we will try to provide transport if necessary. Please talk to Polly for details.

SUMMER AFTERNOON TEAS

Shirley Lewens has written to say that the afternoon teas during the summer in aid of Bishop Wilson, Ibbota Diocese, South Sudan, will not be going ahead this year. Thank you for your support in the past and if you would like to donate any money to Bishop Wilson, Shirley will be happy to pass it on to him.

WEDNESDAY CIRCLE

This is a monthly afternoon meeting of a social kind at St Mark's, at 2pm.

Anyone who enjoys instructive talks, quizzes, crafts, competitions, the occasional outing, and refreshments is welcome.

The next meeting will be on 18th August at 2:00pm where there will be a speaker on "Canal trip on Grand Union Canal from London to Birmingham"

VACANCY FOR AN INDEPENDENT EXAMINER OF OUR CHURCHES' ACCOUNTS

Ron Drew, who has examined our Churches' accounts for the last twenty years or so, has decided to retire. We thank him for scrutinising our accounts so accurately and efficiently and we wish him a long and happy retirement.

We now need someone to scrutinise our churches' accounts each year. The person does not need to be a professionally qualified accountant, but could be a trainee accountant or involved in finance, S/he must be numerate and have an eye for detail. Also, s/he cannot be a member of Christ Church or St Mark's. The job takes about 3 days and a fee is payable. Please could you let Duncan or Ray Andrews know of anyone you might know who would be willing to carry out this important role for us.

CHARITY DONATIONS

The PCC has agreed donations from Christ Church and St Mark's to Water Aid (£824) and Christian Aid for famine relief in Sudan and Ethiopia (£450). Ray Andrews, our treasurer, would love to be able to send £1,000+ to Water Aid. If anyone wishes to add to these donations, please contact Ray or Duncan.

FUNDRAISING FOR CHRIST CHURCH AND ST MARK'S

Our churches are very short of funds as a result of the pandemic. There are a number of large bills on the horizon and our reserves are declining. If anyone has any fundraising ideas, please send them to Duncan or speak to any member of the PCC. Your ideas would be most welcome.

Watford Foodbank is a registered charity which has been operating in our town for 9 years by providing emergency food to local people in crisis. We are part of the Trussell Trust national network of over 400 foodbanks and operate according to their guidelines. We are run entirely by volunteers and receive food donations and financial support from many local churches, schools, businesses and individuals. We have a warehouse in North Watford and four other distribution points in churches around the area, from where we provide around 300-400 food parcels per month helping about 800-900 people.

We are now looking to expand our Management Team with people who have compassion and empathy to help those in need and feel they have the skills to contribute to the running of this operation. If you feel called to this work and would like to discuss what might be involved, please contact us at info@watford.foodbank.org.uk. You can find further details of our work at: watfordfoodbank.co.uk. Thank you all for your continuing support from John at Watford Foodbank.

How the Regenerators Appeal will help deliver real change

We have been overwhelmed by the support the Regenerators Appeal has received over the last few months. Your donations will support the Regenerators in vulnerable communities in Tanzania, Kenya, Senegal and Bangladesh to fight back against the devastating impact of climate change.

The UK government's matched funding will fund a new project working with Regenerators in Tanzania. Now that the appeal has closed, we can reveal some more about how your money will help the Regenerators in Tanzania.

Working with our partners at Tanzania Gender and Sustainable Energy Network (TANGSEN), these are the big numbers of our project:

This is just one part of the change that your support will create – and these aren't just statistics... these are people's lives.

The changes that you've invested in are long term. Thanks to your help, these farmers and entrepreneurs can fight back and protect the earth for generations to come - and earn more for the hard work they do every day.

It's all thanks to the wonderful support you've given to the Regenerators Appeal. And we can't wait to tell you more about this work as it develops.

We can't thank you enough. traidcraftshop.co.uk

CHRIST CHURCH & ST MARK'S, WATFORD

MISSION STATEMENT

WE ARE people who are drawn together by our Christian belief and our response to God.

WE BELIEVE that God reveals himself to us in many ways as Father, Son and Holy Spirit, and that people can live in a loving relationship with God and with each other in Christ.

WE AIM to follow Christ's teaching and example, living a full life in every community in which we are involved, sharing our faith with others through example, worship and service.

We are a Fairtrade parish.

We use only fairly traded tea and coffee at our church events.

Fairtrade stalls were held after the main morning services:

at St Mark's on the 1st Sunday in the month and

at Christ Church on the 3rd Sunday in the month.

At the moment, the stall is in Christ Church, but all items can be ordered for delivery.
