In Memoriam

St Ambrose Book Group

My apologies to all those who wished to take part in the Book Group meeting on 12th July and found it had been cancelled at very short notice. A number of problems occurred in rapid succession and although I contacted several people who had planned to attend, I was unable to warn those who had not told me they were coming. Information regarding the date and time of the next meeting will be printed as soon as possible. The book for our next meeting can be collected from the red lidded box under the table in church from Thursday 15th July. It's 'The Salt Path' by Raynor Winn, a brilliant book and well worth reading. Please contact Alison King on 462 202 or alisonking90@hotmail.com for further updates.

Sidesmen's Meeting

Sidesmen are requested to attend a training/update meeting with a view to beginning their duties from 22nd August. We have picked two dates, so please come to whichever is best for you. These are Saturday 14th August at 10:00 am and Thursday 19th August 11:30 am. Both meetings will be in church. The rotas will be given out then. If you can't attend either please let Janet or Louisa know.

Parish Directory

The new Parish Directory is due to be printed following the arrival of our new vicar. If you submitted your details to be included in this new directory and they have since changed please contact Alison Morgan directly via email at ali.morgan82@sky.com. Details should not be passed on via a third party and must come directly from the person concerned.
