FESTIVE LUNCH – Please can Elaine have the balance of payments for the Festive lunch by Sunday 28 November at the latest, thank you.

The Feast of Christ the King, is observed in the Roman Catholic, Lutheran, Anglican, Methodist, and Presbyterian churches. It honours Jesus Christ as lord over all creation. It was established by Pope Pius XI in 1925 and was originally, celebrated on the last Sunday in October, but in the revised liturgical calendar decreed by Pope Paul VI in 1969 it was moved to the Sunday immediately preceding Advent, where its theme of Christ's dominion made it a fitting end to the liturgical year.

Some Anglicans refer to this Sunday as “Stir-up Sunday”. There are two reasons for this, the first, is that the Anglican collect for the day begins with the words, “Stir up, we beseech thee, O Lord, the wills of thy faithful people...” Second, some old pudding recipes require the pudding to sit for several weeks before being cooked. This Sunday became a day that people would traditionally begin preparing pudding for Christians, which includes “stirring it up.”

The “Christ the King” statue in Poland is the largest statue of Jesus in the world. It stands at 33 meters (108.268 feet) tall. That's one meter for each year of Jesus' earthly life. The Christ the King statue is 3 meters taller than that of the statue of Christ the Redeemer in Rio de Janeiro, Brazil.
