Generosity & Giving Campaign

As Christians we know that everything we own and everything we have comes from God. So, when we give, we simply return to Him a small portion of the abundance He has already given to us.

In practical terms this means that we are asking for your generosity to support St Peter's Church. Why now? Quite simply because our expenditure is far greater than

our income. We recognise the committed and generous giving made by so many of our parishioners but we are in a difficult financial position and St Peter's needs your support more than ever.

So how can you help? Please take a look at our Generosity handout which you will find on Parish webpage: <http://stpetersnewton.org/>

Page one of the Handout considers 'the why' and pages two to four give answers to questions such as:

- How can I support St Peter's financially?
- What's the most efficient way for me to give?
- Who can I contact if I have more questions?

Your support will ensure that St Peter's remains a vibrant and committed church family glorifying God and serving the community. Thank you!

Important Notice

Sunday School recently returned and next meets on the 21st November. To make sure we comply with adult:child ratio, we are asking you to pre-book by email to jillleparfrey@aol.com or messaging via the Sunday School Facebook page @Stpetersnewtonlewillows. Any spare places will be available on the morning, but these cannot be guaranteed.

We'll meet in the annex during morning service on the first and third Sundays of the month. Children over 3 are welcome for Bible stories, fun, games, songs and craft. We ask that adults return to the main service, rather than staying with their child, to ensure we have sufficient space.

Sessions are planned on the following Sundays (any changes will be updated on this Facebook page):

21st November

December dates to be confirmed.

Please message me if you have any questions or need further information.

A request from Mia & Ruby Unsworth

We all know how important it is to save our planet and how we are helping to do this by recycling our plastics, glass and cardboard but what about crisp packets?

Did you know it can take up to 80 years for a crisp packet to break down?

There are lots of packets in our seas and oceans killing our precious marine life.

Did you know that in the UK there are 200,000 homeless and rough sleepers and as the colder weather approaches they have little to keep them warm.

We have found a group of volunteers who collect crisp packets and make them into survival sheets to hand out to the rough sleepers.

By collecting packets we are not only saving our oceans and sealife but providing warm covers for those rough sleepers.

We would like you to help us by collecting your empty crisp packets and placing them in the box at the back of the church.

Thank you

A Message from the Vicar as restrictions are eased.

Your safety when attending St Peter's is our primary concern. We want everyone to feel safe and welcome. To that end please hold in mind the following guidance and information:

1. Rows of chairs have been placed a metre apart. An empty row will be placed between each available row of seating – this row is clearly marked not for use.
2. The main door will be open to ensure good ventilation.
3. Wearing masks is recommended while in church.
4. Use of sanitisers is recommended on entry to and departure from the church.
5. Please respect the right of others to remain socially distanced and remain a minimum of one metre from other people at all times.
6. Following guidance from the Bishop communion will continue to be administered in one kind.

Please Remember - Your safety is our concern
