Editors' Notes

It seems that Autumn has now arrived in earnest. The colours of the leaves are changing. No strong winds or frosts have yet

removed the leaves from the trees so we have time to admire them.

The last month or so have been very different in the world around us. The topics on most people's lips are the Cost of Living or the Climate and how these affect our way of life and our future. It is important to do what we can to help ourselves and consider what we can do to help others.

Giving to charitable causes is one way to do this even if it is only passing on a spare blanket or warm coat for someone needy to use. In our pages, there are examples of fund raising in our community as well.

The Good Neighbour Scheme and its volunteers help in our Parish by doing small tasks for others and transporting people to appointments. There should be a leaflet enclosed this month telling you more about the scheme. New volunteers are always welcome. The GNS, in conjunction with St Andrew's Church, is helping to provide a reasonably priced weekly snack lunch for senior citizens at The Rising Sun during the colder months. See the poster (p26) for details.

Sadly, by the time you read this, Harpers in Pepperstock will have closed its doors for the last time. (see p30) The coffee shop especially will be missed as a place where many of the local community gathered for a chat over coffee / tea and cake. Parish News wishes Peter, his family and all the staff well for the future, I'm sure most of the community will do so too.

DOG OWNERS

There has been a marked increase in dog ownership in the village, with some people having more than one dog. The majority of owners clean up after their dog(s) and deposit waste in the bins provided. If you are one of the people who allow your dog(s) to foul the verges/pavements, please be more considerate and clean up after your animal and only deposit waste in bins provided.

Owners are requested to only deposit dog waste in bins provided and not in general litter bins or the large paladin bin at the corner shop.

Your compliance to improve village environment is requested please.

Our Coffee Evening held in aid of MacMillan went off very well. The girls did a performance which was enjoyed by all.

A total of £211 was made on the evening which has now been banked for the charity.

We have some spaces available for girls aged 7-11 years. We meet at the Village Hall on a Wednesday evening (term time only) from 6pm—7:30pm.

Anyone interested in joining should ring Wise Owl on 01582 723109.

The new half term begins on Wednesday 2nd November with a Halloween Evening.

MacMillan Coffee Morning

On Friday morning 7th October at Slip End Village School, year 4 along with their teacher and assistant held a MacMillan coffee morning and invited parents, grandparents, carers etc to join them in aid of this very worthy charity. The children had been asked to take in cakes, which were plentiful, and were there to help take drink orders, serve cakes and also assist with a special quiz. Full marks on the cake quiz represented house points for nominated children and was a great success.

It was a lovely informal morning and the children and staff did really well. There were quite a lot of cakes leftover so they were offered for sale at the end of the school day. The final total was £231 - well done to all those involved, a fantastic amount for the Macmillan organisation who support many families when they most need it. *(Apologies for no photo, permissions not all checked / received in time)*

PARISH COUNCIL UPDATE

The latest Parish Council Meeting was held on Monday 3rd October in the Village Hall.

One **Planning Application** was discussed this month:

CB/22/03585/FULL – 40 Front Street, Slip End – Erection of a new detached house to the rear. Members confirmed that this is the second application for this proposed development, the first one was withdrawn. After a short discussion with both council members and residents present it was agreed to object to this application again.

Precept Payment

The clerk confirmed we have received our second part of our annual precept.

Fly Tipping

Despite Woodside Road being closed for gas works, the road still suffered from several episodes of fly tipping, which have now been cleared. The grab lorry drives the Parish on Tuesdays and/or Fridays so any fly tipping incidents are usually cleared swiftly, some even before they've been reported.

Crawley Playground and Youth Shelter

CLLr Minnighan filled members in on the vandalism the playground suffered by way of a young lad dragging the village hall wheelie bin into the playground and kicking it before emptying the contents in the playground, watched by two young girls. The village hall CCTV system caught this all on

camera. Members agreed it was disappointing that the young people of the village think this is a suitable way to treat the playground.

Good Neighbour Scheme

Their latest tea party was held on 5th October at the Village Hall, and they are taking some residents to Leighton Buzzard railway this month and are now in the process of organising their Christmas Party, to be held on 30th November 2022.

They have booked in with Laura at The Rising Sun to provide tea, coffee, cake, sandwiches and soup on Tuesdays starting in November for the GNS clients. More info is available from the GNS committee.

Christmas Biscuits

Cllr Cooper confirmed the cost per box for our Christmas biscuits gift, for those residents over the age of 65 who have lived in the parish for 5 years or more, the cost was approved. If any resident qualifies and wants to register on the biscuit list, please contact Cllr Patterson, details in the PN.

Election and Clerks Retirement

Peter Segal, our clerk, has announced his retirement next year, so members will be discussing the recruitment process for our next clerk. The Parish Council will have elections next May. If any resident would like to join the Council and make a difference in the Parish, please contact Cllr Minnighan for further information.

Harvest Festival 2022

On Friday 23rd September Slip End Village School invited the children to take an item in for the Harvest Festival at St Andrew's Church. The Harvest gifts this year were being shared between local charities:- The Food Bank, NOAH for the Homeless and Azalea, a charity supported by the Church, plus gifts of plants around the village. They had a good response and the items below were collected by the Church after school, to help decorate the Church.

The Church looked wonderful and ready for the service on the Sunday.

On Saturday 24th the Church held a Community Coffee Morning and Harvest Brunch; with a Ploughman's lunch being served in celebration of Harvest, around midday. The Church had been decorated with Harvest gifts and flowers by the talented Flower team. Donations of fresh fruit, vegetables and canned goods were all welcomed towards the Harvest Festival.

The Harvest goods were divided between the nominated charities and they were all very grateful for the donations and sent their thanks and appreciation to Slip End Village School and St Andrew's Church.

Cyclamen plants were also given to people in our community who have been bereaved or suffering from long illnesses during lockdown and beyond. The children put a short message in with the plants from the school and the Church, and then were able to walk around the village giving them to the grateful recipients.

On the Monday morning Year 6, together with their teacher arrived at the Church to help with the sorting of the harvest goods. They were soon put to work checking the fruit and vegetables and tins etc and putting the items into different boxes. The church members were very pleased with them all. Well done to Year 6 .

Thank you to all who gave gifts towards the Harvest or helped in any way.

GNS—Day out

We are all going on the choo choo, we are all going on the choo choo!

On Sunday October 9th Slip End Good Neighbour Scheme took ten clients on the Leighton Buzzard Narrow Gauge Railway. The first of many trips we hope to make in the future.

The sun shone for us. Wrapped up well, we intended to have a great time.

Markyate and Flamstead Care Group kindly provided the minibus, driven by one of our volunteers, who picked us up at the Village Hall and off we went. We arrived in plenty of time to have a drink in the station cafe.

Time to board, a slow amble to the platform and we boarded a carriage reserved just for us. There were some spare seats and a couple of families with small children joined us. They were very well behaved and so were we!

It was lovely watching the parks, countryside and small housing estates go by. The children's faces when the driver tooted the whistle was a joy.

We waved to everyone especially the cars and vans stopped by the guards when we crossed roads and footpaths. Guards held up stop flags to enable us to pass on our way. Lots of people waved back to us which was so nice.

On the way back we stopped at Stonehenge station where we ate our picnic, we had pre ordered drinks and my cup of tea was very good.

We had a great day out and we all enjoyed ourselves.

SANTA CLAUS

We are pleased to let you know that Santa Claus will be out touring Slip End, Pepperstock and Woodside on the evenings of Thursday 15th and Friday 16th December. He will, of course, be accompanied by all his elves and maybe a few extra guests, with their buckets of chocolate for the young and the not -so- young. Full details of the route and approximate times will be published in the December issue of the magazine.

We are always on the look out for helpers and elves so if you could walk with us on one or both evenings do let us know on 0795 858 7595.

The float is sponsored by Slip End Village Day and all monies collected on the nights are donated to Keech and to help projects and Groups in the Parish.

The photography topic for the first meeting in October was that of “Black and White”.

Most interpreted this as monochrome images in black and white. There were some interesting images.

The next topic is “Leaves”, a good one for Autumn. An example of

the topic is the lovely coloured tree in Claydown Way. *(this month's cover)*, We will meet on the first Tuesday of the month at the Social Club

Members have been experimenting with moving LED lights and smoke to make some interesting images. The October meeting (at Heathfield Centre) was also using the LED lights.

St. Andrew's Church

Remembrance

On 13th November St Andrew's will be holding a service of Remembrance.

The Village's War Memorial is within the church building. At the service the names of those from the Parish who died in the two World Wars will be read out.

Even if you do not consider yourself a Christian or a church-goer you are very welcome to join in this event.

A collection will be taken for Royal British Legion.

At a time when the situation in Ukraine brings the reality of war ever clearer. We pray:

O God, may the times that we have to take up arms in defence of what we believe to be right never blind us to the continuing need to search for a better peace, that all may live in peace promised us by Jesus our Lord. Amen

Christingle

Our Christingle Service is on 27th November. This is a lovely family friendly service where we make Christingles, form a big circle, light the candles and dim the lights and think about how Jesus brings light into the darkness of our world. The collection will be for the Children's Society.

St. Andrew's Church - Dates for November

We are pleased to confirm that the church building continues to be open! Most aspects are back to normal but we continue to designate an area at the back of church for those wishing to socially distance, and there are Covid security measures around the sharing of bread and wine at Communion services.

However if you would prefer to join the live service virtually, Nick has set up a Zoom link which is open to all. You can join by putting in the number 878 5926 2657 and the passcode 664663 to Zoom

Services:-

November 6th 10.30am: Informal Communion – Life in the resurrection

November 13th 10.30am: Morning Praise – Remembrance Sunday

November 20th 10.30am: Holy Communion – Mercy at the Cross

November 27th 10.30am: Family Service – Advent Sunday - Christingle

Little Stars starts at 10.30am each Wednesday.

Sessions will be held on 2nd, 9th, 16th, 23rd & 30th November.

Kettle goes on at 10am – turn up whenever it suits your little one's routine.

Message from St Andrew's

Autumn is upon us and suddenly people are turning their attention to the holidays that are around the corner. While the year heads to an end, many churches look forward to the start of a new calendar year on November 27th. The first four weeks of the liturgical year mark the season of Advent. It is a season of expectation and preparation as the Church looks forward to celebrating the birth of Christ.

Advent falls at the darkest time of the year, and the natural symbols of darkness and light are powerfully at work. Many churches use an 'Advent wreath' of candles to mark the Sundays of Advent, lighting a new candle each week. In the Church of England, the focus is on the patriarchs and prophets who predict humanity's salvation, then on John the Baptist, then finally on Mary as she prepares to give birth to the Saviour.

Commercial pressure has made it harder to keep a sense of alert watchfulness in our anticipation of Christmas. The soaring cost of living also means that these next few months could be hard for many, with rising bills, fuel shortages, and an unsettled economy. In these circumstances we may bear in mind the fact that for many people around the world, such conditions are more the norm than the exception.

We may also recall that the Nativity story was framed in a season of adversity. A census had been decreed by King Herod. Mary and Joseph had travelled the long journey from Nazareth to Joseph's hometown of Bethlehem. And the soon to be parents of baby Jesus found there was no room for them there. Not long after Jesus' birth they fled to Egypt after a warning given to them by an angel, about Herod's plan to kill the child.

For Christians, our preparation for the coming of Christ is a powerful reminder of the real meaning of the coming season. Knowing God *is* present in the midst of adversity may not mean that its pain goes away; but keeping our focus on the Lord and his word for us in the season can help us cope. And we become open to the realisation of the unseen blessings that he holds for us.

Revd Nick Mwandia

Gardening Notes *by Russell Sprout*

At the time of writing this article the weather seems to have finally made up it's mind that it's autumn. You should by now have been able to do some tidying up jobs in the garden getting it ready for winter and have spared a thought for the wildlife and not been too ruthless!

Clear up any fallen leaves and add them to the compost heap, or use them to make your own leaf-mould, (but do check that they don't have black spot). Roses planted this month will get off to a good start but only plant them as deep as the old soil mark on the stem. Climbing and rambling roses need to be planted at least fifteen inches away from a wall to avoid lack of water to the roots. Lift tender plants like fuchsias, begonias and geraniums, and bring inside to over-winter if you haven't already done so.

Ventilate the greenhouse on sunny days if you still have tomatoes ripening but close them in the afternoon to help keep in some heat. Alternatively, pick your tomatoes and bring them inside to ripen off. White fly can be a problem at this time of year so fumigate with a HCH smoke or spray to eradicate this problem.

If you have a pond finish preparing for winter by removing old leaves and thinning oxygenating plants. Leave foliage on marginal reeds and rushes as a protection against severe weather. Protect the pool against falling leaves by covering it with small-mesh netting. Overhaul pumps used for waterfalls and fountains, removing submersible types from the water and storing them in a dry place.

Check dahlia tubers for drying out and if they appear shriveled soak them in tepid water for the night. Remove any parts of the tubers that start to rot with a sharp knife and dust them with flowers of sulphur. Check chrysanthemums left in the soil for water logging and insert a fork to it's full depth to aid drainage, stools taken in over winter should be kept moist but not wet. Gladioli corms can be cleaned up any time during the winter and discard any that are diseased and try to grow gladioli in a different position each year to stop dry rot, fusarium rot and botrytis. Continue to plant border carnations and pinks during mild spells and complete planting tulips and hyacinths as soon as possible.

Blackcurrant bushes will require some of the old wood removing but leave as much new growth as possible, treat gooseberries in much the same way. If you are planting fruit trees, then prune back by about two-thirds of the young shoots straight afterwards. Prune blackberries, raspberries and loganberries cutting out all this year's fruiting shoots and tie in new ones and cut out any weak ones. Continue digging as ground becomes vacant and leave for the frosts to break down over the winter. Don't be too zealous, remember that wildlife need somewhere to overwinter and don't forget to **check that bonfire for hedgehogs before you light it!**

The Gardening Club has recommenced its meetings in the Village Hall, why not come along to the next one (visitors welcome for a small contribution of £2) on Monday 21st November, the speaker is Russell Bowes, his talk is entitled The Tale of the Tulip. The talk starts at 8pm and lasts for about an hour and is followed by tea/coffee & biscuits and a chance to chat to others.

A warm welcome always awaits members and their families at...

LUTON AIRPORT EXPANSION

Residents will no doubt be aware of the plans to significantly increase the number of passengers using the airport and the subsequent increase in noise and pollution over our homes. You may not be aware of LADACAN (Luton and District Association for the Control of Aircraft Noise) This is a residents group concerned about the impact of continued expansion of Luton Airport on the surrounding villages and towns.

Harpers—sadly closed!

The closure of Harpers has been mentioned on page 2. Messages were sent to Fine Food and Wine Members announcing this during October. Sadly, there is no-one to take on the business. Peter Harper, along with family and staff, has worked tirelessly over many years to provide an excellent service. They will be missed. **We wish them well!**

The message from Harpers said, *“Due to Peter’s impending retirement and the economic pressures that have been placed on the business, it is with regret that we must inform you that we are closing at the end of October. On behalf of all the staff and*

family, it has been a pleasure to serve you and enjoy your company, you have been very much appreciated.”

Thank you too, Peter!

Caddington W. I.

Armchair Yoga, presented by Debbie Wilkins

from Platinum Fitness in our village, was the subject of our meeting in October. We had all our members joining in. We’ve never been so quiet!

Gill Borg made a huge Victoria Sandwich oozing with cream and it was demolished in minutes. Thank you Gill. Our Competition “Your Favourite Animal” was won by Nicky Moore with Kay Storey 2nd and 3rd Linda Edwards.

In November we have our own Carol Jones giving us a Craft Evening - this will keep our fingers moving! We are going to donate our old bras’ and new pants to be sent to Africa to help the girls against sexual assaults.

Future Dates: 6th December. Xmas get together. Mulled wine, cards and presents. Bring a plate of food - have fun with our games. Competition: home made Christmas card. Group Meeting on Friday 9th December at Heathfield. Studham, Dunstable and Eaton Bray join us. There is supper and entertainment.

Sorry but we have had to cancel the Dunstable Choir until next year. We shall be laying a Wreath on Remembrance Sunday at the service at All Saints Church.

You are welcome to join us. We are a friendly, chatty bunch of ladies. We meet on the 1st Tuesday of each month at The Caddington Sports and Social Club
