Community News and Opportunities

Today we are delighted to have amongst us members of 3rd Beddington Scout Group children, leaders and their families. It is good to be together as we remember all those who fought for this country and lost their lives. Remembering and praying that we will not forget and nor will we take for granted the relative peace and security in which we live in this country at this time. As Scouts and as Christians we share the responsibility and the commitment to at all times strive to do our best for God, King and country, to care for our neighbours, to welcome the stranger, to feed the hungry and at times extend welcome and hospitality.

St Mike's Tykes – please continue to share widely that we now have a fun informal after school club for primary children (& carers if they wish) to eat, craft, sing and journey with Mary & Joseph each Thursday in the vicarage 4-6pm. All are welcome – and personal invites work best!

Churches Together Christmas Day Lunch – seeking a cook and assistants for Christmas Day and Eve. Contact alicegem7@gmail.com 02086699414

Socks for HMP Wandsworth – please donate new pairs of socks to be shared with the prisoners. Collection boxes will be at both churches

Donations of toothpaste and toilet rolls are being sought for the foodbank. Pls bring along what you can and leave in the collection bins at either church

Churches Together tackling Serious Youth Violence –Thurs 16th Nov, 7 - 8.45 pm on Zoom. RSVP to claire@ctslondon.org.uk to receive a link

Volunteer Listeners at Foresters Primary – would you like to visit the school and listen to children read on a regular basis? Spk to Mthr Berni

Could you host a refugee or asylum seeker? See poster at the back of SMC

Reverse Advent Calendar – this year we will be collecting for the Women and children being supported by Hestia Women's Refuge. Please consider collecting a small gift (or maybe a £1 a day) in a box or hamper to be donated on to the refuge for Christmas. Collections taken at both churches.

Advent Reflections –there will be daily reflections at both churches (at the advertised times of prayer below). At St Paul's these will be drawn from *Holidays to Holy Days: A Benedictine Walk through Advent* and at St Michael's from *Mary's Voice: Contemplating the Coming of Christ*. If you wish to follow at home both books are available online to order. All Welcome!
