Safeguarding at Trinity

Safeguarding is everyone's business and here at Trinity we take our responsibilities very seriously. Christian communities should be places where all people feel welcomed respected and safe from abuse. Our Church is committed to encouraging an environment where all people, and especially those who may be vulnerable for any reason, are able to worship and pursue their faith journey with encouragement and in safety.

Our Parish Safeguarding Officer is the first person to speak to if you have any concerns around the welfare of a child or adult with vulnerability.
