

# The Parish of South Beddington & Roundshaw

8 June 2025 – Pentecost

Open Doors – Open Hearts – Open Minds

**Interested in exploring questions of faith?** Whether young or old; in body, mind or spirit, we all have questions about faith, God and church. Would you like to join some gatherings over the summer to explore these? Let Mthr Berni know. Dates already set with some of our younger members. No expectation where these questions and exploring take us. Always good to imagine and explore.

**Thank you to everyone supporting the many Christian Aid events in recent weeks and preparations for our Summer Fair joint with our beloved scouting family.** The generosity in time, passion and resourcing never ceases to surprise – and never taken for granted. It is so good to share in life together.

**Come join our Green Week conversations: Monday 9<sup>th</sup> June from 7.30 at SMC.** We will be hearing from Nick Dunne, author of two books on walking the Via Francigena to Rome. He will invite us to explore what pilgrimage is and why go on it drawing on his own experiences and his work with the Pilgrimage Trust. Robert (Sutton bio diversity champion) and Richard Bourton (zoologist) will lead us into the Bio Diversity of Sutton and all will be woven together with a bit of drumming thanks to our friends at Gary Mason Charity! The Bishop of Kingston and a group of eco pilgrims will join for an early supper, the conversations in the evening then stay overnight. Do come join, invite others, and let Julie or Mthr Berni know if you can help with set up, hospitality or anything else!

**An invitation arising from our latest SNT (Safer Neighbourhood Team Meeting):** Have you ever complained about the excess speed of vehicles on our roads. This is your opportunity to do something about it. Community Roadwatch is a programme aimed at reducing speeding on key roads. Each event is typically one hour long. Usually, there are two Police Community Support Officers (PCSOs) and one member of the public. The member of the public - that's perhaps you or me - usually operates the "speed gun" and the PCSOs note the number and make of the vehicle. They do all the follow up. Interested? Contact Mthr Berni who will link you to our contact!

**Call out for new Foodbank Volunteers** to support the two points here in the parish. Please call Vikki at Sutton Community Works to chat: 07540 077 377

- **Handley Page (Roundshaw) - Mondays 5:30pm - 7:45pm**  
1 x meet and greet (greeting, refreshments, giving out food)

**Calling and Visiting our Friends who are housebound** – whether through sickness, frailty or other. Please do keep in touch with those not seen at worship recently. When I visit many express feeling very alone / forgotten. A call, visit or card transforms this in small ways. Thank you all for your love of one another.
